M.COM(GENERAL), P.S.R Arts and Science College, Madurai Kamaraj University. CGPA - 8.93	2024-2026
--	-----------

B.COM(PA), SRI S.Ramasamy Naidu Memorial College, Madurai Kamaraj University. CGPA - 7.31	2020-2023
--	-----------

PROJECTS

Green Mart – E-Commerce Web Application

- Built a responsive E-Commerce web application using React.js, JavaScript, HTML5, and CSS3.
- Implemented client-side routing using React Router DOM for seamless navigation.
- Developed reusable components with scalable and maintainable architecture.
- Implemented dynamic cart functionality to handle real-time user interactions efficiently.
- Designed interactive product detail views and optimized UI rendering for improved performance and usability.
- Ensured responsive design and optimized user experience across devices.

Carpenter Service Web Application

- Developed a responsive multi-page service-based web application using HTML5, CSS3, and JavaScript to digitally showcase carpentry services and portfolio projects.
- Designed semantic HTML structure and modular CSS architecture to ensure clean, maintainable, and scalable code.
- Implemented dynamic features including a JavaScript-based image slider and client-side form validation.
- Improved navigation and overall user experience through optimized layout design.
- Optimized navigation flow and content structure for enhanced usability and accessibility.

CERTIFICATES

- **Frontend Developer Course – Getin Technologies(2025)**
-Successfully completed professional training and certification in Frontend Development at Getin Technologies.
- **Employability Skill Development Programme – Mahindra Pride Classroom (2022–2023)**
-Completed the programme conducted by Naandi Foundation, focusing on professional skills, and career readiness.
